Mike,
I think the CDM comments cover fairly well.
The DEQ does not have any additional comments on ROUX's responses at this time.
Thank you.

Hi Dick,

You were copied on CDM's comments on the BHHRA and the BERA. Were you going to have any additional comments on this?

My response is due today.

Thanks,
Mike

Mike and Dick:

I have forwarded this response to the CDM Smith team (as well as yesterday's Groundwater/Surface Water Data Summary Report response) and discussed schedule. Erin is going to review and call David Berry and Brian Sanchez if she has any questions/issues she needs to discuss. We plan on having a draft response for you review by next Thursday, February 22. Under the RI schedule, Mike has until February 28 to respond back to CFAC, so that should give everyone time to review.

Deliberative Process / Ex. 5

Let me know if you have any questions or concerns,
